Palm Beach County Medical Society Announces 10th Annual Heroes In Medicine Awards

Nominate Your Medical Hero Today!

West Palm Beach, FL- January 28, 2013– Calling all nominations for Palm Beach County Medical Society Services 2013 Heroes in Medicine Awards. The deadline for nominations is February 14th at 3pm.

The 2013 Heroes in Medicine categories are: Community Outreach Hero, Bruce Rendina Professional Hero, Health Care Provider Hero (Non-Physician), Physician Hero (Local/National), Physician Hero (International), Student Hero, Health Care Educator Hero and Health Care Innovation Hero. Descriptions of the awards categories are available on Palm Beach County Medical Society's website, www.pbcms.org/heroes. Anyone in the community can nominate an individual, group or organization.

“Heroes put the needs of others before themselves, and Palm Beach County has no shortage of individuals, groups and organizations that have done so much for this community and beyond,” said Chairwoman Sally D. Chester, RN. “Now is the time to shine on them.”

Proceeds from Heroes in Medicine benefit Project Access, a community-based program to increase access to health care for the uninsured.

To nominate a Hero or to learn more about sponsorship, visit www.pbcms.org/heroes or call 561-433-3940. Finalists will be recognized at the 10th Annual Heroes in Medicine Awards luncheon on Thursday, May 9th at the Kravis Center in West Palm Beach.

For more information and to see who last year's Heroes were, go to our website.

About Project Access and Palm Beach County Medical Society:

Project Access is a physician led system of volunteer physician care, hospital care, diagnostic services, and medication assistance for the low-income uninsured residents of Palm Beach County. Palm Beach County Medical Society is a not for profit organization dedicated to uniting physicians to serve the common interest of the profession, developing and maintaining the highest professional and ethical standards of the medical profession, advocating the interests of physicians and their patients, and collaborating with others to improve the community's health. For more information, call 561-433-3940 or visit www.pbcms.org.
